TESTIMONY IN SUPPORT OF HOUSE BILL 5096 AN ACT INCREASING THE THRESHOLD REQUIRED FOR PASSAGE OF UNFUNDED MANDATES

Good Morning Co-Chairs Senator Osten, Representative Miller; Vice Chairs Senator Cassano, Representative D'Agostino; Ranking Members Senator Linares and Representative Aman; and esteemed members of the Committee. My name is Melissa Ziobron and I am proud to represent the 34th District, which encompasses the towns of East Hampton, East Haddam and part of Cokchester. I am testifying in support of bill that I have proposed—HB 5096.

HB 5096 would require legislators to approve new unfunded mandates to municipalities by a 2/3 majority. We must recognize the increasing number of laws that force our towns to either cut existing services or raise taxes to abide by them. While some of the bills proposed may be well intentioned, they are often littered with unintended consequences that our First Selectman, Mayors and Superintendents must enforce.

Specifically, some proposed education bills add a strain on school time, school curriculum, school staffing, and school resources. Since the list is rather long, instead I would direct you to the OLR Report dated September 2013. It contains over 20 pages of unfunded mandates including Minimum Budget Requirements, which are increasingly difficult for small communities like mine with declining enrollment, numerous identical reports that must be sent to Education Commissioner, and taking time out of classroom instruction for silent meditation. The link for the report is here: <http://www.cga.ct.gov/2013/rpt/pdf/2013-R-294.pdf>. Other municipal unfunded mandates which if repealed would be a cost savings are posting legal notices online and eliminating the storage requirement for evicted tenants. All of these laws cost time and money on an already stressed municipal workforce. Many times in small towns like mine, school administrators wear dozens of hats and mandating a report that literally sits on a shelf and has no real value takes away from the time that could be spent to increase student based learning. Our town staff is also mostly a skeleton crew, so achieving savings however small would be meaningful---posting online legal notices would have multiple benefits.

We have an obligation as lawmakers to stop passing laws that have unintended consequences that have a direct impact on the people we represent. By requiring a 2/3 majority for passage, I hope to enable the legislature the time, effort and study into the matters before them. It may also limit the number of proposals before us, since the threshold may be harder to obtain. We owe this due diligence to our constituents, before costing the taxpayers of Connecticut additional money in already extraordinary financial times.

Best Regards,
